WRITTEN ON *the wall.*

The whole harbour stayed up for the final. My dad cried at the winner. Thank you for taking Húsavík to Lisbon.

Sigrún, Húsavík

Season ticket for thirty-one years. That run in the eighty-ninth minute is the best thing I have seen at The Meridian.

Tom, Kingsmere

My son copies your celebration in every game in the park. He is seven. He says he is number 9 now.

Aisha, Leeds

I was behind the goal for your second in the Northern Cup final. I still can't talk about it.

Jón, Reykjavik

Monterosa fan. I hated every second of it. Respect.

Inês, Lisbon

Our under-12s trained at the shed wall all summer, like you did. Come and see them next time you are home.

Einar, Húsavík Athletic under-12s

The signed shirt came in time for my brother's birthday. He hasn't taken it off since.

Priya, London

Fifty-eight caps. Get to a hundred.

Kristófer, Akureyri

“Every summer I go back to Húsavík and kick a ball at the shed wall. It still rings. I still keep count.”
